PRICE REDUCTION: Following the 115,000km service overhaul, some of the extended warranty has lapsed, so the price for this vehicle has been dropped to \$79,950.

This vehicle is loaded with extra aftermarket additions, including a gooseneck, a 5th wheel hitch, front & rear cameras in addition to the regular back-up & bed-view cameras, and a flexible tonneau cover. Everything is in excellent shape. Dealer service records and an official CARFAX report are available upon request.
